

Dear valued stakeholders

INVITATION: TRAINING ON ENERGY EFFICIENCY DATABASE

Since 1 April 2021, applications for Energy Efficiency LOAs are to be submitted on the new EE Database System. The NRCS is pleased to announce that since then, EE LOAs are successfully being issued via the new system.

The NRCS, together with its implementing partner SANEDI, invites all affected stakeholders to training sessions scheduled as set out in the table below. This follows previous training sessions, which were held in August 2020. **Please register by following the provided links for each day.**
